THE LEGEND OF BLACK ROCK... In Hawaiian tradition Pu'u Keka'a (Black Rock), "hill of rolling stones", is a sacred site with a history dating back hundreds of years. It is said that in ancient times, a heiau, or temple, was located at its summit. To this day, it is revered as a sacred spot known as "ka leina a ka'uhané" – the place where a soul leaps into eternity. Join us each night at sunset to watch the legend of Chief Kahekili come to life with the Cliff Dive Ceremony. Time varies according to the time of the year. Ask your server or bartender for more information.
